Friday, March 2, 2018 12:00 pm - 4:00 pm -
Caudell Hall 127

Friday, March 16, 2018 12:00 pm - 4:00 pm
Caudell Hall 127

The Equity and Campus Diversity Exploration of Student Cultural Competence Program (ESCC) is a co-curricular experience designed to promote student development and applied learning. This program will explore various aspects of multiculturalism and topics of social justice. ESCC will provide students with an opportunity to develop fundamental skills necessary for living in an inclusive and global society.

The ESCC program will focus on developing emerging students through:

- Self-analysis and Reflection
- Conflict Resolution
- Cultural Competence
- Social Awareness
- Political Awareness

For the 2018 spring semester the ESCC program will utilize Ta-Nehisi Coates' book, "Between the World and Me" to open dialogue in this co-curricular leadership learning opportunity. Participants are expected/required to attend all three sessions for successful completion of the program. All Buffalo State Students are welcome to apply to participate in the ESCC. However, due to limited program materials, students will be accepted on a first come first served basis (20 slots).
